

Men's Get Together Group

Dear Members

This e-mail is to advise you all that it is with regret that your Committee have to announce that we are cancelling all future Men's Meetings for the remainder of 2020.

The Committee members met recently and reviewed the options but the deciding factor in reaching this decision was that although the Community Centre may well reopen in September they have decided, in order to maintain social distancing regulations, to limit the number of people in the large meeting room to 25. Unfortunately, this is insufficient for our needs when we regularly have over 50 members attending.

Options including moving our meeting to the Memorial Centre were examined as there is a much larger room available there, however the significantly increased costs of renting the room ruled that out.

Some members have already paid the annual membership fee for 2020/2021 to David Judson, 7 by cash and others by cheque. David has advised that he has not banked any of the cheques and they will have by now reached their 6 months expiry date. David will hold the cash payments as credits for next year unless any member wishes to contact David on 01425 611393 to arrange the refund of their payments.

The Committee Members will meet again in December to review the situation that exists at that time and review our options going into 2021.

We wish all of you a healthy and peaceful time throughout the remainder of this year and will contact you all again in due course.

Kind regards

David M Eley (on behalf of the MGT Committee)
